140. Carriage Driving – Super Reinsmanship

141. Carriage Driving – Timed Obstacle

To be driven over a prescribed course of obstacles, not to exceed 15 obstacles. After passing the starting line, the driver shall proceed through each obstacle to the designated finish line. Course faults are scored as penalty seconds and are added to the driver's elapsed time, 5 seconds for each dislodged or knocked down obstacle. Missing an obstacle means elimination. Placings are determined on a low time basis. **Cantering is prohibited.**

142. Carriage Driving – Scurry Obstacle

To be driven over a course of unnumbered obstacles consisting of cones and rails. After passing the starting line competitors shall proceed at the trot through each obstacle in any order from any direction. Each obstacle must be driven once. Upon completion of the course the whip must cross the finish line where time will be taken. A five second penalty will be assessed for dislodging a ball or any part of an obstacle while on course. Run-outs or refusals will not be penalized. The circling rule does not apply. **Cantering is prohibited.** The first three breaks into a canter will each incur a five second penalty. The fourth break or any prolonged cantering will incur elimination. Missing an obstacle, the use of tie-downs and overchecks, and failure to carry a whip incurs elimination. Ties for first place will be decided by a drive-off.

143. Carriage Driving – Progressive Obstacle

To be driven at the trot with a set time over a course of six numbered obstacle which will be adjusted to the following clearances: #1 – 20", #2 – 16", #3 – 12", #4 – 8", #5 – 4", #6 – 2". Time allowed to be calculated at 200 ft. per minute. After passing the starting line, the driver shall proceed through each obstacle, in order, until finishing the course or dislodging an obstacle. Time will be stopped when the rear axle clears the last obstacle or when an obstacle is dislodged. Placings will be determined by the greatest number of points. Time will decide ties. **Cantering is prohibited**
