USEF Pleasure Driving Rules will be followed. Vehicles may be either of the 2 or 4 wooden-wheeled type. Wire wheeled vehicles, martingales and overchecks are not allowed. Sidechecks are optional. Snaffle bits, Liverpool bits or any other traditional driving bits are allowed. A throatlatch and a cavesson (noseband) are mandatory. Style of driving (one or two-handed) is optional. At all times while in the ring, drivers **MUST** wear a hat (or an ASTM/SEI certified helmet if junior), gloves, apron or lap robe, and carry a whip in hand. Anyone failing to do so must be severely penalized by the judge. Any junior driver (or junior riding as a passenger with an adult) not wearing the approved headgear **MUST** be eliminated from the class. **Under no circumstances or condition should a bridle ever be removed from a horse while it is still put to a vehicle. Such an action will result in instant elimination. Canter is prohibited in all obstacle classes.**

25. Carriage Driving – Working Pleasure

A pleasure driving class in which entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be judged 70% on performance, manners and way of going, 20% on the condition and fit of the harness and vehicle, 10% on neatness of attire.

53. Carriage Driving Turnout

A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. To be shown both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back. To be judged: 70% on the condition, fit and appropriateness of harness and vehicle, neatness and appropriateness of attire and overall impression; 30% on performance, manners and way of going.

66. Carriage Driving – Timed Obstacle

To be driven over a prescribed course of obstacles, not to exceed 15 obstacles. After passing the starting line, the driver shall proceed through each obstacle to the designated finish line. Course faults are scored as penalty seconds and are added to the driver's elapsed time, 5 seconds for each dislodged or knocked down obstacle. Missing an obstacle means elimination. Placings are determined on a low time basis. **Cantering is prohibited.**

67. Carriage Driving – Scurry Obstacle

To be driven over a course of unnumbered obstacles consisting of cones and rails. After passing the starting line competitors shall proceed at the trot through each obstacle in any order from any direction. Each obstacle must be driven once. Upon completion of the course the whip must cross the finish line where

time will be taken. A five second penalty will be assessed for dislodging a ball or any part of an obstacle while on course. Run-outs or refusals will not be penalized. The circling rule does not apply. **Cantering is prohibited.** The first three breaks into a canter will each incur a five second penalty. The fourth break or any prolonged cantering will incur elimination. Missing an obstacle, the use of tie-downs and overchecks, and failure to carry a whip incurs elimination. Ties for first place will be decided by a drive-off.

112. Carriage Driving – Reinsmanship

A pleasure driving class in which entries are judged primarily on the skill of the driver. To be shown at a walk, slow trot, working trot and strong trot. Drivers will be required to rein back. All drivers chosen for a workout may be worked at any gait requested by the judge and may be asked to execute a figure eight and/or perform other appropriate tests.
