Proudly Sponsored by Purina Mills

Please make plans to join us for the 24th annual NY Stallion Service Auction on Feb. 18, 2012. We are excited about the new venue and hope that it will appeal to many potential buyers of stallion breeding services.

We are planning a full day event with meetings of the NYSMHS, vendors, and speakers. We will have J. Bryan Hickman, promoter for the Morgan Pavilion at the Kentucky Horse Park, George Knight of the NY Horse Council, and an expert panel to answer your questions about Morgan Bloodlines.

In addition there are indoor sports facilities, live entertainment, and of course the casino to appeal to the non-horsey members of the family. Two blocks of rooms have been reserved. Prices are \$85/night or \$143/night. Mention "NY Morgan Auction." Call 1-800-771-7711.

The primary goal of the NYSSA is to raise a large pot of money that goes back to breeders and owners who show in the SSA Sweepstakes classes at the NY Regional show. In an effort to increase the prize money offered, we are asking all bidders to bring an item or service to donate to a Silent Auction that will run throughout the afternoon and evening.

Phone Bids will be accepted from 5-7 pm, EST. You MUST call to register between 5 and 7 pm. You will receive a call back when your lot comes up for live bid.

Call: **315-361-7475, 315-361-7476, or 315-361-6401.**

New York Stallion Service Auction Terms & Conditions

1. Please note that these pages attempt to summarize basic terms & conditions for each stallion. However, all bidders should understand that all they are acquiring from the NY Stallion Service Auction is a breeding contract to the stallion of their choice. They are subject to the specific terms as outlined in the stallion owners' breeding contracts which can be seen on our website. **THE TERMS IN THE BREEDING CONTRACT SUPERSEDE ANY TERMS FOUND IN THIS CATALOG.**
2. In the event of a dispute concerning the terms of either the SSA or the stallion owner's contract, all participants agree to accept the decision of the NY Stallion Service Auction committee as binding.
3. The minimum bid on all stallions is \$700 U.S. funds. Important note: If a stallion does not receive a minimum bid that is **PAID IN FULL**, his offspring are not eligible for the Sweepstakes classes at the NY Regional.
4. In the event the mare does not produce a foal as a result of breeding during this breeding season, any subsequent foals, conceived in a later year, **will not** be eligible for any Sweepstakes class **UNLESS** the stallion is also sold at the Auction during the year the foal is conceived.
6. Each entry will be sold to the highest bidder. The auctioneer will determine the winning bid.
7. **The mare owner is responsible for any bills concerning veterinary care, farrier, etc. In the event of semen transport, mare owners may be subject to collection fees and shipping charges. Consult stallion owner on the terms pertaining to the shipment of semen.**
8. Only registered Morgan mares will be accepted for breeding.
