

## *Justin time for a Cure*

*Equitation Qualifiers At The  
Western New York Show Will Be  
Designated Ride For The Cure Classes:*

*We are asking the equitation riders to go out **before** the show and  
get pledges from their friends and family's for these purple ribbon classes.*

*All monies donated will go to the  
Roswell Park Cancer Institute of Buffalo, N.Y.*

*We will **not** be soliciting donations at the show.  
Your name will be announced during the class if you are riding for the cure.  
You may also choose to ride for someone and  
his or her name will be announced.*

*The show committee will dedicate half the proceeds from the  
Silent Bid Auction to this program. We ask that junior riders help by  
bringing donations for the silent auction and being of assistance to the  
auction committee at the show.*

*This is a great opportunity to give something back to the community.*

***Please join us in this project.***
