

## New York State Morgan Horse Society Dressage Presents:

# Michelle LaBarre Clinic

**May 1-2, 2010**

**Finger Lakes Morgans..... Bath , NY**

Having studied in Karlsruhe, Germany with Herr Egon von Neindorff as a working student, Michelle learned the importance of having a correct riding position, the dynamic nature of contact and how critical swift and well-timed aids are. Overall, she works with the horse and rider to develop a better understanding of the Training Scale. Michelle is known for her consistent and knowledgeable training, so take advantage of this unique opportunity to fine tune your leg-yields, twenty meter circles, and half-halts before the start of show season. Learn more about Michelle at [www.labarredressage.com](http://www.labarredressage.com).

NYSMHS members and their Morgans will be given priority on a first come first serve basis, and to those taking advantage of taking lessons on both days. However, the clinic will be open to all breeds and levels to fill any remaining lessons.

### Fees:

- Lesson Fee \$95 per lesson (*includes lunch for rider and groom*)
- Non- NYSMHS Member Auditing Fee \$10 per day (*includes lunch with pre-registration*)
- Stabling Fee \$40 for the weekend (*bring your own bedding; \$10 at end of clinic if stall is stripped*); Day Rate \$25

**Entries close on April 16<sup>th</sup>**

The NYSMHS Sport Horse Committee would like to thank **Finger Lakes Morgans** and **Creekside Morgans** for their co-sponsorship and generous support of this clinic.

**RELEASE (must be completed by all riders)**

I understand that horseback riding is a high-risk sport and I am participating in this clinic at my own risk. I hereby assume this risk, and further do hereby release and hold harmless the New York State Morgan Horse Society, the organizing committee, Finger Lake Morgans and its owners, and all volunteers from all liability for negligence resulting in accidents, damage, injury, loss or illness to myself and to my property, including the horse I will ride in this clinic. I understand appropriate headgear must be worn at all time while the horse is being exercised or ridden.
