Dear Roy,

It sure seemed awfully good to see you Saturday and I sure hope you are on the road to recovery.

Because the time is short, I've been thinking and thinking about the breeding this year and have finally made up my mind that I would like to see now what a cross to another branch of Cornwallis would produce so have decided to breed Bell to Hess's young stallion this time for a comparison. I think my decision has been influenced by the fact that originally I had wanted to breed Bell to Pecos and by the time I was ready to breed her Voorhis had Pecos and I couldn't afford his fee so now I would like to breed at least once to a son of his.

I'm still quite pleased with our little guy and if he keeps on progressing as of now, I'm inclined to believe that he will make a good accounting for himself in Halter this year. At least I am planning to show him and sincerely hope that he will be a good advertisement for your Stallion, Parader.

Sincerely,
