June 17 & 18, 2023

All Breeds Welcome

Explore the world of carriage driving and ridden dressage in a unique educational weekend devoted to sporthorse disciplines! For dressage riders, ride a 'fix-a-test' with USEF "r" judge Katie Rocco. For carriage drivers, learn the ins-and-outs of navigating for a CDE marathon and how to approach a cones course with ADS judge Keith Angstadt, champion driver Kaylee Angstadt, and trainer/champion driver Jeff Morse. Practice your skills in a mock Combined Test the next day.

Dressage riders and carriage drivers can both participate in a session on how to show your sporthorse in-hand on the triangle. More shows are offering this class; learn how to do it right and show off your horse to its best advantage! Lunch is provided to participants on both days, with wine & cheese following Saturday's sessions. During your meals, learn braiding and turnout tips from Anita Jaffe, and how to take the squeaks out of your vehicle with Jeff Morse.

This event is open to all breeds. Beginners welcome. Membership in NYSMHS is not required, but encouraged.
